The Pierneef Collection

This premium range is a tribute to South African artist Jacob Hendrik Pierneef (1886 – 1957), famous for his mastery in portraying the unadorned beauty of the South African landscape and its architecture. Each new release in the range reflects a different piece of Pierneef art on its label. Limited in supply, the range consists of varietal wines and innovative blends. Grapes are sourced from site-specific vineyards and specific terroirs.

La Motte Pierneef Sauvignon Blanc

The grapes originate from La Motte's vineyards on the Nabot farm in the Walker Bay region. It is a fuller wine, un-wooded and a perfect expression of its terroir, which is enhanced by cool breezes from the nearby Indian Ocean.
